Subject: Remonstrations Against Refusal of Schengen Visa Application (Reference Number: RK 516 VI/DEU/505300/20250319/000769992)

Dear Sir/Madam,

I am writing to respectfully submit a remonstrations against the refusal of my Schengen visa application, as communicated in the refusal letter dated March 19, 2025 (Reference Number: RK 516 VI/DEU/505300/20250319/000769992). I sincerely appreciate the opportunity to address the concerns raised, clarify any misunderstandings, and provide additional documentation to support my application for a tourism visit to Germany from April 5, 2025, to April 12, 2025.

The refusal letter cites several reasons for the denial, which I address individually below, along with supplementary evidence to demonstrate my eligibility and commitment to complying with Schengen visa regulations.

1. **\*\*Allegation of False, Forged, or Falsified Travel Document\*\***

I am deeply concerned by the consulate's assertion that I submitted a false or falsified travel document. I assure you that my passport and all supporting documents were submitted in good faith and are authentic. To clarify this matter, I have re-verified all documents and am enclosing a certified copy of my passport. If the concern relates to a specific document, I respectfully request clarification so I can address it directly. Additionally, I have engaged a bank statement to provide newly issued, verified documents to eliminate any doubts about their authenticity.

2. **\*\*Failure to Prove the Purpose and Conditions of the Planned Stay\*\***

My visit to Munich is solely for tourism to explore its cultural and historical landmarks, including Marienplatz, Nymphenburg Palace, and the English Garden. To further substantiate the purpose and conditions of my stay, I have enclosed an updated, detailed travel itinerary, confirmed hotel and a valid travel insurance policy covering the entire duration of my stay. These documents clearly outline my plans and confirm my compliance with Schengen regulations.

3. **\*\*Insufficient Proof of Adequate Means of Subsistence\*\***

I am employed as a Civil Engineer in Al Ain, earning a monthly salary of AED 32,500, with savings exceeding AED 500,000. To address concerns about my financial capacity, I have enclosed updated bank statements for the past six months, certified by ADIB BANK, showing consistent income and sufficient funds to cover all travel expenses, including accommodation, transportation, and daily costs in Germany. Additionally, I have included a recent employment certificate from my employer, confirming my salary and approved leave for the travel period.

4. **\*\*Insufficient Proof of Ability to Lawfully Obtain Means of Subsistence\*\***

My financial resources are derived solely from my lawful employment as a Civil Engineer. The enclosed bank statements and employment certificate demonstrate a stable and legitimate income stream. I have no outstanding debts or financial obligations that would hinder my ability to fund my trip or return to the UAE. If additional verification is required, I am prepared to provide further documentation, such as tax records or a letter from my bank.

5. **\*\*Doubts About Intention to Leave the Schengen Area (Return Prognosis)\*\***

I have resided in the UAE for over 20 years, where I maintain strong family, professional, and economic ties. My wife, three sons, and daughter reside with me in Al Ain, and my eldest son attends school, requiring my ongoing support. I own property in Ajman, as evidenced by the enclosed property deed, notarized. My stable employment with further anchors me to the UAE. To reinforce my commitment to returning, I have included a confirmed return flight reservation from Munich to Abu Dhabi on April 12, 2025. These ties and obligations unequivocally ensure my return before the visa expires.

Regarding the consulate's note about an attempt to deceive through false or contradictory information, I respectfully submit that any discrepancies in my application were unintentional and likely due to errors in document preparation. I take full responsibility for ensuring the accuracy of my submissions and have worked diligently to provide verified, authentic documents with this remonstrations. If the consulate can specify the documents or information in question, I am prepared to address them promptly to resolve any concerns.

Enclosed with this letter are the following documents to support my remonstrations:

- Certified copy of my passport.
- Updated bank statements for the past six months, certified by Adib bank.
- Recent employment certificate confirming my salary and approved leave.
- Notarized property deed for my property in Ajman.

- Confirmed hotel booking.
- Valid travel insurance policy covering April 5–12, 2025.
- Confirmed return flight reservation for April 12, 2025.

I kindly request that the Consulate General reconsider my visa application in light of the clarifications and additional evidence provided. I am confident that my application now fully meets the requirements for a Schengen visit visa. Should further information or an interview be required, I am available at +971 (0) 559991237 or lazy.barhoom@gmail.com.

Ibrahim Zafar Ali Khan
